Transport

The nearest international airport is Nice (NCE). It is less than 30 minutes from Sophia Antipolis by taxi.

Hotels

Several hotels are located at walking distance (half a mile) from INRIA. Their nightly rates are ranging from 80€ to 110€.

June is very busy on the French Riviera and even in a Science Park like Sophia Antipolis, the hotels are full during this period. Thus we cannot insist enough on the necessity to reserve your room as early as possible. See the web page below for more information.
