### Airports

San Diego has a sizable airport (SAN) with flights from major US hubs. The Los Angeles airport (LAX) is an alternative if you are willing to drive for about two hours.

## **Directions to Meeting from San Diego Airport**

- Follow signs to Point Loma from Airport. This will take you in the right direction on Harbor Drive.
- At Laning Drive, which is just over the bridge and at a light, take a right.
- Turn right again at Historic Decatur Rd. The building is past Farragut Rd on the left.

## **Hotels**

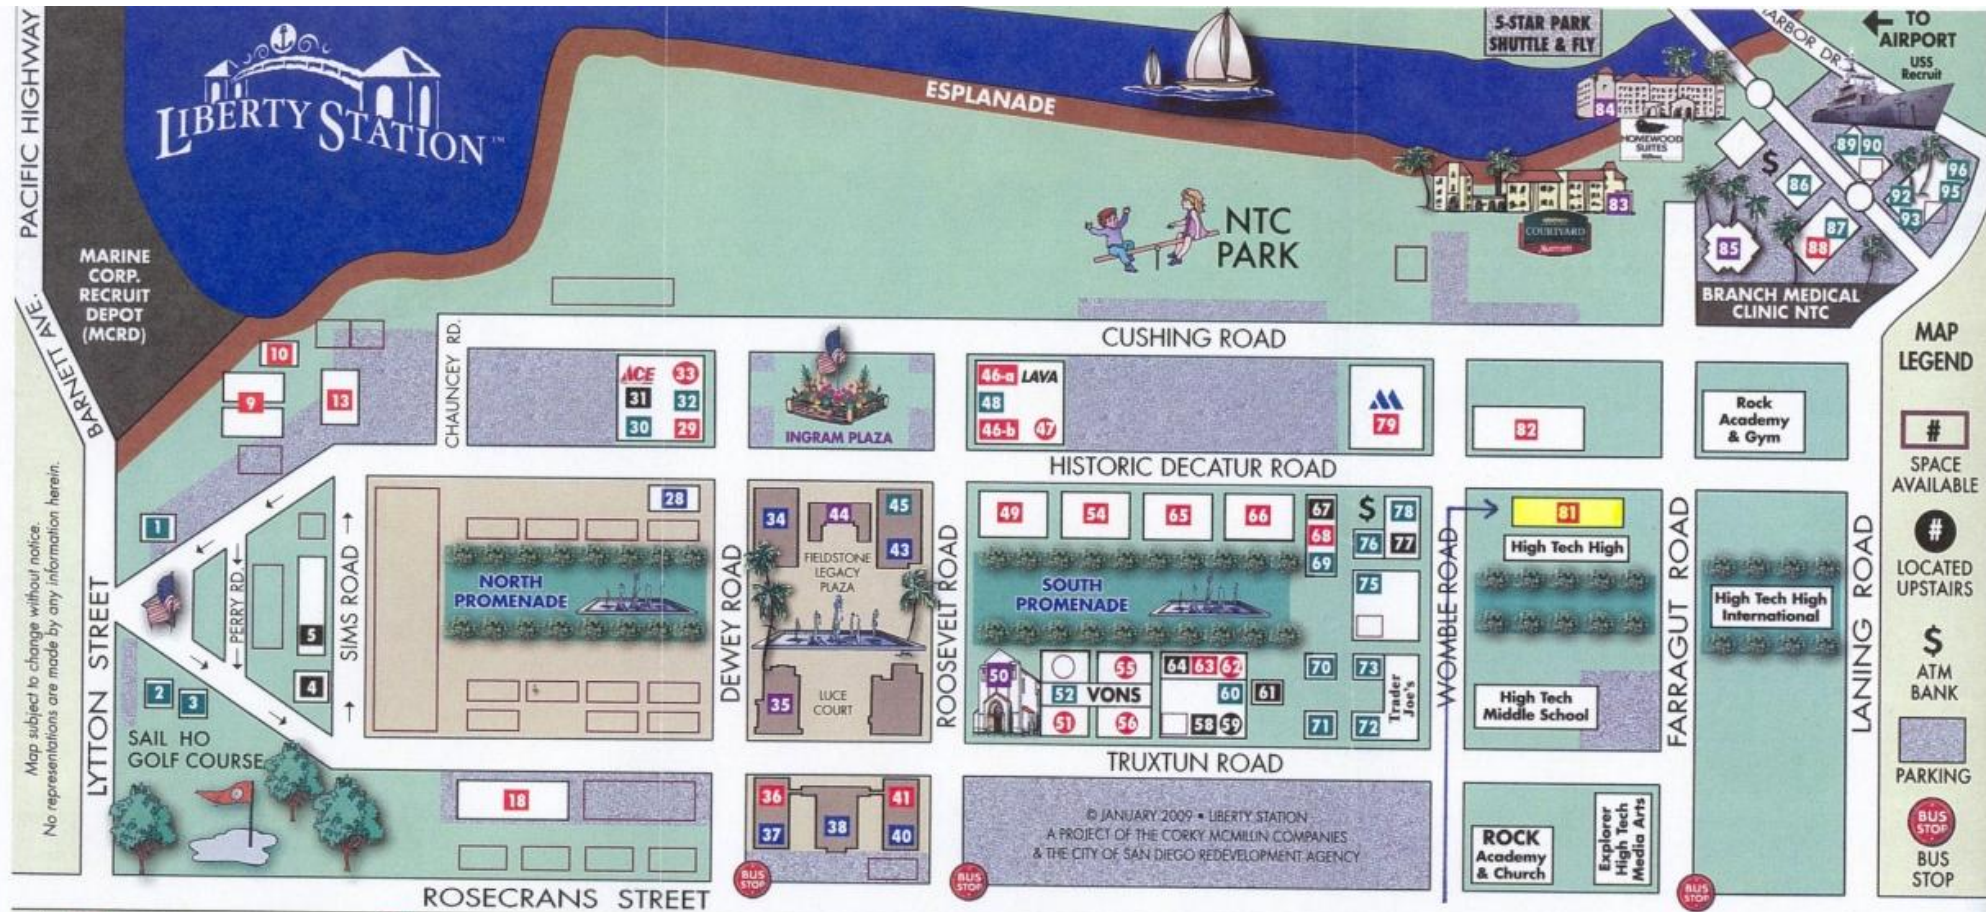

Local staff recommends two hotels:

- Liberty Station Courtyard Marriott (619) 221-1900
- Homewood Suites (619) 222-0500

These hotels are just around the corner (walking distance) from the meeting site.

## **Weather**

During April, rain is unlikely in San Diego. Daily high temperatures are likely to be in the 60s F.
